## POTEMKINE REACHES VIA AND BUYS PROVISIONS

orted in Several Prominent Russian Cities.

July 3.—On the Baltic. Its population is over 27,000. Its trade is considerable, and a railroad connects it with the interior of Russia.

Odessa is a strongly fortified southern seaport of Russia, and the rendezvous of the Black sea fleet. In commercial importance it holds first rank in the Black sea. In 1890 its population was 313,687.

Caucasus is a general name given to the region and the chain of mountains which stretch between the Black and Caspian seas, the mountains forming part of the boundary between Europe and Asia.

How They Met. Sebastopol, July 3.—The Black sea squadron which went to Odessa, consisted of two divisions, commanded by Admiral Kruger and Admiral Vyschegrevsky, respectively. The former's division included the Rostislav and Sinope, and the latter's the Georgi Pobledonostetz, Trin Svkhutella Dvornadzat, Apostoloff and torpedo cruiser Kasarski. Several torpedo boats accompanied the squadron.

On arrival at the roads the following ships signaled the Knaiz Potemkine to join the squadron, to which the battleship replied: "We ask that the admiral should come on board us." No answer being given the Knaiz Potemkine cleared for action and steamed at full speed along the whole fleet. She passed so close to the other vessels that even the features of the commander, who wore a thick beard and was in civilian clothes, were clearly distinguishable.

Several among the crews assert they saw at least thirty men in civilian costume on board the Knaiz Potemkine.

Admiral Kruger signaled the squadron to "head for Sebastopol," and at the same time the Knaiz Potemkine displayed the signal that "we remain here."

Commander Gazevitch of the Georgi Pobledonostetz, signaled the machinery of the vessel was disabled.

Admiral Kruger repeated the order to make for Sebastopol, when the Georgi-Pobledonostetz replied, "we remain here."

She then steamed alongside the Knaiz Potemkine and hoisted the signal, "we wish to send you our officers." This was the last signal seen by the squadron before heading for Sebastopol.

One Crew Surrenders. Odessa July 3.—The crew of the Georgi Pobledonostetz sent forty men ashore yesterday as hostages and have asked the emperor for forgiveness for having mutilated, pleading that they have not damaged the ship.

There is still no news of the whereabouts of the Knaiz Potemkine. The government has issued a proclamation saying that the danger of a catastrophe has passed and that everybody must keep quiet and the strikers must return to work.

The manufacturers are hopeful. They think that the situation is improved and that the men will resume work tomorrow. According to some reports, the surrender of the Georgi Pobledonostetz was conditional upon the crew being informed as to what the punishment will be. The vessel lies in the inner harbor, in a position very favorable for bombarding the city. She is completely under the heavy guns now mounted in the boulevard overlooking the harbor.

If one would see his own fault should borrow his neighbor's spe-

## TO PHILIPPINES DR. TOM MOSS GOES

Has Received Appointment to Constabulary.

It is Good for Three Years and Dr. Moss Leaves August 10th Next.

AN HONOR FOR THE YOUNG MAN

Dr. Thomas E. Moss, Jr., the well known young physician at Woodville, Ky., Saturday received an appointment in the Philippine constabulary and will leave Kentucky on August 10th and sail from San Francisco or Seattle on the 23d to enter into his duties in the Philippines.

Dr. Moss was apprised of his appointment, which was secured through the efforts of his father, Maj. T. E. Moss, and other influential friends, Saturday through a telegram and letter from Washington. It stated that the authorities at Washington had been cabled by Governor-General Wright of the appointment which carries with it free house rent and a salary of \$1,200 a year. The appointment holds for three years.

The department into which Dr. Moss goes is medical. American physicians are in all the offices of importance, and Dr. Moss' appointment is quite an honor, rarely ever accorded a doctor of his years.

Dr. Moss stated this morning that he would leave Woodville for the west on August 10th and while uncertain thinks he will embark on the 23d. He will enter into his new duties immediately on arrival.

Dr. Moss is a prominent and able young physician and will make a success, his friends feel sure, in his work. He will have the best wishes of all his friends and acquaintances.

## INTO POLITICS

GOES LEE BERNHEIM, A FORMER PADUCAH BOY.

He Becomes a Candidate for the Legislature From Louisville.

It will be gratifying to the friends and schoolmates in Paducah of Mr. Lee Bernheim, of Louisville, to learn that he is becoming prominent in politics. Mr. Bernheim resided in Paducah for many years, and attended the public schools up to his parents, Mr. and Mrs. I. W. Bernheim, moved to Louisville.

Saturday's Louisville Post says: "Mr. Lee Bernheim this morning announced his candidacy for the Republican nomination for legislature from the Sixth and Seventh wards of the city of Louisville."

"Mr. Bernheim is a Republican in politics, but is strongly in favor of the present fusion movement. He enters the race with many assurances of support."

"The decision of Mr. Bernheim to enter politics came only after long reflection. For some years he has been a student of political economy and of American governmental methods at Columbia University, and while there he became convinced of the need of young men taking part in politics. He is a son of Mr. I. W. Bernheim, and is himself a man of unusual abilities and wide personal acquaintance. The announcement that such a man as Lee Bernheim is willing to accept a nomination at this time is a proof of the deep interest taken by the first citizens of Louisville in this movement."

## NOTHING IN IT.

Hopkinsville Team Will Stay in the League, Not Disband.

It was reported on the streets today that the Hopkinsville team would disband here tomorrow, but this report is erroneous, so declare the Hopkinsville boys and Manager Rutledge. That Hopkinsville will remain in the league, a cloud of the season is assured.

## NO BATTERY HERE, IT IS ANNOUNCED

It is Too Late Now for This Year's Encampment.

Adjutant General Italy Announces the Date of Paducah Outing Month.

2d REGIMENT COMES AUG. 7.

Dr. J. V. Voris, who has just returned from Indiana, announced today that the effort to organize a battery of artillery for the Kentucky State guards had been abandoned for this year.

Dr. Voris learned that it was too late to accomplish anything this year, and as it was not necessary to have a company in order to get the encampment, nothing further will now be done until after the encampment, when steps may be taken to organize the artillery.

Adjutant General Italy has decided that the encampment will begin in Paducah on August 7. The Frankfort State Journal of yesterday says:

"Adj. Gen. Italy, after a conference with Governor Beckham, has fixed the following dates for the encampment of the Kentucky State Guard to be held at Paducah:

"The various companies of the Second Regiment will leave their home stations on August 8 and will reach their destination on the morning of the 7th. They will remain until the evening of the 11th.

"The First Regiment will leave its home station on August 16, will reach camp on the morning of the 17th and will remain until the evening of the 24th.

"The various companies of the Third Regiment will leave their home stations on August 26, will reach camp on the morning of the 27th, and will break camp on the night of September 2.

"It has been arranged that two days will intervene between the breaking of camp of one regiment before another enters.

"The Frankfort battery to be organized Wednesday will be attached to the Second Regiment.

"The Signal Service Corps to be organized in Frankfort will be kept in commission during the entire encampment.

"The itinerary for the movement of troops as well as the necessary orders and details concerning the encampment will be issued the latter part of the week.

"The dates of the various sham battles as well as the dates for the visits of Governor Beckham will be announced within a few days.

"It is announced from Paducah that this chief city of the Purchase is preparing to give the soldier boys a royal welcome. The best will not be too good for the soldier boys. Excursions will be run from all nearby points, and the best things to be had will be at the disposal of the soldiers."

A telegram to the Sun today from Frankfort, says further, after conferring the above:

"The itinerary of movements of troops and the dates of sham battles will be announced later.

"The governor will visit the camp during the stay of each regiment, making three trips in all to Paducah."

## THE KENTUCKY

Is Being Fixed Up for the Winter—Gallery Entrance Is to Be Changed.

The work of renovating and putting The Kentucky in good condition began this morning.

The interior will be repainted and repaired and the entrance to the gallery, which is now in the alley will be rebuilt and placed on Fifth street. The entrance to the gallery has always been inconvenient and this will be a great improvement. The work to be done will cost several thousand dollars and will be completed by August 15th.

Few Dog Taxes. Only comparatively a few people have paid dog taxes this year, the records showing that 110 dog licenses were issued. It is likely that the time has come when the

## HUNDREDS DROWN IN FLOOD IN MEXICO

Mining City of Guanajuato Swept for Hours by Raging Deluge.

LOSS OF LIFE PLACED AT BETWEEN 500 AND 1,000 INHABITANTS

Bodies of the Victims Float About the Inundated Streets of Stricken City.

Mexico City, July 3.—Communication with the deluge-swept city of Guanajuato is still interrupted, but delayed reports received this morning indicate that between five hundred and a thousand people have lost their lives.

Several nearby haciendas are engulfed and Guanajuato is under over six feet of water many inhabitants living on the mountain.

Guanajuato is a mining city, the seat of activity of several large American and British companies. The wires were down all day yesterday and the roads were impassable.

The city is built in a great gorge in the mountains, and the streets ramble up the mountain side in picturesque fashion.

A storm began furiously on the night of June 30, and after midnight no one dared go to bed, so tremendous was the fury of the elements.

The water rose in the lower or lousiest streets, flooding shops and inundating thousands of dollars' worth of merchandise. The lower streets became raging torrents as the water poured in rivers down the upper streets. Doors were smashed in by the force of the water, and

windows were no protection against the furious flood. The authorities worked strenuously to get the people safely from their homes to the higher part of the city. The loss of property, it is said, will be immense.

Messengers who managed to get out of Queretaro say the water stands three and four feet deep in houses and shops in the lower part of the city, and that the people-stricken people have gone into the mountains carrying their valuables.

The Mexican Central north-bound passenger train ran into a wash-out north of Irapuato and was derailed, the water running over some of the cars.

President Roddison of the railroad says some lives were lost but he does not know how many.

The town of Marfillo, just below Guanajuato, was completely wiped out.

Another dispatch to President Roddison of the Mexican Central, says it is estimated that 1,000 are dead at Guanajuato, the raging waters carrying the dead through every street. The water is up to the second story of the Hotel Union.

## BOTH WAIVED

EXAMINATION OF CITY JAILER EVITTS AND BROTHER NOT HELD.

Not Known About Charges Before the Board of Aldermen Thursday.

The case against City Jailer Tom Evitts and his brother, Sam Evitts, for a malicious assault with intent to kill, will not be tried in police court but defendants today waiving examination and being held over to the grand jury at the regular September criminal term of McCracken circuit court.

The case had been set down for trial today in police court and all witnesses were on hand. When Judge Sanders called the case City Jailer Evitts came forward and stated that his attorneys, Campbell and Campbell, were absent and he did not know that he could secure their attendance immediately. Judge Sanders argued him to secure them if possible in order that the investigation not be longer delayed, and City Jailer Evitts then waived examination and was held over.

His brother, Sam Evitts, also waived examination and was held over to the grand jury, both defendants being held under the same bond given for their appearance in police court.

All witnesses, numbering over a dozen, were recognized for their appearance at the September term of circuit court.

It is not known what steps will be taken to prefer charges against City Jailer Evitts before the board of aldermen Thursday night. Mayor Yelzer said today that he had no statement to make but that if Officer Headless prepared charges he supposed he, Mayor Yelzer, would file them with the board of aldermen.

## TWO BURGLARIES

MR. GEO. JONES, OF BROAD STREET, LOSES \$5.

Colored Man's Residence Near the I. C. Yards Was Also Invaded.

Mr. George Z. Jones, of 1901 Broad street, an employee of the E. K. Bonds commission house, reports the theft of a five dollar bill from his trousers pocket.

The thief last night entered his home and stole the trousers and in taking them through the window made a noise and aroused Mr. Jones, but jumped the fence before he could be seen.

Mr. Jones found when he picked up his trousers in the yard that his watch had been saved in a very peculiar way. In winding up his watch last night he made a mistake, and instead of putting it in his pocket as he thought, dropped it through his trousers' leg where it was held suspended by the chain, escaping the thief's hands. Footprints were found under the window today which was in the first floor, but the rain had destroyed their distinctness.

Henry Dawson, colored, who lives out near the I. C. yards, reported to the police last night that a thief entered his house yesterday and carried away his truck, a 22 calibre rifle and shotgun, a can of lard, 20 pounds of lard and some other things.

The thief, it is said, was colored, and wore a black duster, black coat white vest and patent leather shoes.

Some of the stolen goods was abandoned at the house of a neighbor after the thief had picked out what he wanted.

It is believed that the man caught a freight out of Paducah and got off at Mayfield but the police have not succeeded in trailing him.

Total City Tax Collections. City Treasurer John J. Dorlan has collected since June 1, \$65,780.29, \$3.49 was on property and this is the first time since 1890.

Chief Lloyd and his band of red-skin warriors celebrated the return to the reservation yesterday by a shout-out in an exciting scalp taking contest with the Lamettes. The game was witnessed by over one thousand fans, and was snappy from start to finish.

"Rube" Perdue, the star boyman, next to Bonmar, for the Lamette aggregation, opposed Platt and pitched a good game, but was unfortunate in having the Indians bunch hits.

The Indians scored in the third and fifth innings, making one in the third and three in the fifth inning. In the third inning, Land knocked a liner to Sullenger who muffed it, Land making first base. Platt struck out and McClain sacrificed Land to third base and Gilligan's timely single to left center scored the run. Bohannon flew out to Barlow and the inning ended.

In the fifth inning by an error and a bunching of singles, the Indians ran three more men across the rubber. Land went out from Henderson to Meyers and Platt drew a single to right field. McClain singled and also did Gilligan, two runs being scored. Bohannon went out from McClain to Meyers and Gilligan scored on the throw. Taylor drew a walk and Perry singled. Potts hit a grass cutter to Henderson and was retired at first.

Nothing more was done in the run getting business after the fifth inning and the only time it looked like the Lamettes had a run bugged was in the sixth inning when three singled and filled the bases. Perdue

had gone out and Barlow and McClain and Morris had all singled. With one man out and three sacks filled it looked like a clutch that the Lamettes would make at least one run. Meyers selected a heavy stick and went after two. He met the third on the nose but Perry scooped it up, held to Potts and Potts held to Gilligan, completing a fast double play and shutting off the run.

Vincennes, July 3.—Gus Bonno proved too great a puzzle for the Mud Wallopers to solve yesterday afternoon and won his game by the close score of 3 to 2. A large crowd was present to witness Bonno's first effort with the local team and all are more than satisfied with his work.

Up till the ninth inning the Mud Wallopers had secured but one hit off Bonno. Marre started the score-making ball rolling in that inning by getting a single. Captain Roland drew a base on balls and Hipperi followed with a big two bagger scoring both men. The next three men were out and the side was retired with the game lost to them by the narrow margin of one run.

The features of the game were a two bagger each by Lemon and Bonno and the brilliant accepted chances by Marre, Hipperi and Roland.

Bonno pitched an elegant game, allowing but three hits in the nine innings. He had all sorts of speed and control and had the visitors guessing from start to end of the game. Bittroff also pitched great ball, but the Kolbits had their batting clothes on and found him for seven opportune hits. Score:

Calro	2	3	1
Vincennes	3	7	3

Batteries—Bittroff and Harvey; Bonno and Lemon.

**The Infants Win.**  
Princeton, July 3.—The Infants waded knee deep into the Hens yesterday and took the second game of the series from them in a hard fought scrap, witnessed by a large crowd. It was a pitchers' battle and neither man had the advantage. Morgan, for the Hens, allowed but five and pitched an elegant game, though he was less fortunate than his opposing artist in keeping the safe ones scattered. Rossen was the man on the firing line for the local bunch and the five hits secured off him were kept well scattered with the exception of one instance when they netted the visitors one run.

Score:

	R	U	E
Henderson	1	5	3
Princeton	2	5	2

Batteries—Morgan and French; Rossen and Schissel.

**Saturday's Game.**  
Bonmar was hard to hit for the Indians Saturday at Hopkinsville and South allowed the Lamettes 13 hits.

The summary follows:

	R	U	E
Paducah	3	8	2
Hopkinsville	7	13	0

Batteries—South and Land; Bonmar and Schissel.

Perdue showed that he has the "stuff" in him. He had good control and never once lost his head yesterday. Perdue made his debut in Paducah yesterday and he ran Wiley Platt a hard race for the top honors.

Perry has been likened to a Zouave because of his fastness on his feet. He has the regular rapid Zouave movement and plays astonishing baseball.

Land caught an excellent game yesterday. The report that he was benched seemed to have started from a joke. Land is playing blue ball and no one can find fault with his work.

If present plans run out, Dan McCarty, manager of the Calro team, will resign and Guy Eichenberger will succeed him. The latter was manager for the Mud Wallopers last season and has a great deal of ability in the managerial line.

Calro has wired transportation to the following players, who all come from Ohio and Pennsylvania with the exception of Street: Outfielders Dan Riley, Aaron Kerr; Joe Drake, Burke, Quinn and Miller; infielders Tom Reynolds, left handed pitchers, Will Kummer and Walter Elston; catchers Charles Street and Doggle Ortleb. St. Louis has claimed Street, but an effort will be made to have them waive claim on him to Calro.

The Paducah papers want a right fielder for their team. What is the matter with Lloyd, he saved Platt's scalp yesterday. They also say there is a weak spot in the infield. The infield looks pretty good to Henderson people.—Henderson Gleaner.

Catcher Harvey, who was released by Calro, has been taken back, and thus added to the Tadpoles' troubles. After his release Henderson signed him and he wore a Henderson uniform two days and then being offered his old place with Calro, went back. Henderson has telegraphed to Secretary Farrell, of the National committee, asking that Calro be not allowed to play Harvey.

**Amateur Games.**  
There were a few amateur games of ball Sunday between junior teams but the city league did not do much. The only game played yesterday by city league teams was played by the Famous and Central teams and resulted in a victory for the Famous by a score of 2 to 1, the contest lasting through ten innings.

Batteries for the teams were Douglas and Brable for the Famous, Black and Smith for the Centrals.

The Centrals will go to Mayfield tomorrow for a double-header.

Eddie Brable and "Dutch" Dicke, battery for the Cherokee Indians, have not signed yet but it is probable they will go with the Famous team or the L. A. L's.

Brable is thinking of going to Hickman, where he has an offer to

Eddie Taylor and Robbie Barlow, of Ironton, O., have been playmates for years and last winter gave sparring exhibitions in Ironton. The next time Hopkinsville comes to Paducah they will probably pull off a benefit match at the Wallace park Casino.

Hedges or Brable for Paducah and Stokins for Hopkinsville will be the pitchers today.

Lloyd had chills the last few days of the trip and was forced to go to bed yesterday. He was out today, however.

Lloyd had 58 chances in three straight games on first base without an error. The only error he made at all on the trip was in right field when he struck the fence trying to catch a long fly and let it drop. This should have been a hit under the circumstances.

Charles Dearmond, late of Cincinnati Nationals, but now third baseman wants to come to Paducah. He is a friend of Chief Loyds and a fast ball player. There is talk of making a change if he is secured, and putting one infielder in the outfield, making a regular infield and regular outfield all the time.

## Daily Thought.

Every hour in a man's life has its own special work possible for it, and for no other hour within the allotted span of years; and once gone it will not return.—Noel Paton.

## SECRETARY JOHN HAY.

In the death of Secretary of State John Hay the nation has lost a good and a great man. His whole life was marked by hard and earnest work—and successful work. He was not a dreamer, but a worker. He was a versatile man and easily adapted himself to changes that all of the other older men had seen come and go.

The last eight years of his official life have been eventful ones in the history of our country, and Secretary Hay had no small share in shaping the policy of the nation.

His public service began under Lincoln and his long and varied experience would have made him a valuable man to the government, even had not this experience been supplemented, as it was, by a great intellect and an undaunted courage.

Other great men will live and die, but few will leave a more indelible impress on the American people than Secretary Hay.

The people of Chicago are likely to hereafter have decidedly less faith in the cause of either labor or capital. The grand jury has just brought in forty-nine indictments against both representatives of capital and labor. The labor leaders indicted are charged with trafficking in strikes by accepting money both to bring about and call off strikes, while some of the employers are indicted for paying labor leaders to call strikes that would injure or embarrass their competitors. It is alleged that Cornelius P. Shea, president of the Teamsters' union, made \$60,000 during the past year in his strike agitation.

A great deal of discussion has been aroused in the daily press over the resignation of Chief Engineer Wallace and the criticism of his action by Secretary of War Taft. Possibly both men feel that they have done their duty. Mr. Wallace no doubt had a right to resign and Secretary Taft had a right to express his opinion of the proceeding, and if they are both now satisfied the public should be—or might as well be.

The beef trust investigation in Chicago resulted Saturday in the indictment of seventeen packers. The probabilities are that the

of August 10 is the final of them. If the evidence is as strong as reported, Graft is now being ferreted out and punished in many cities, but it will require considerable time to locate and exterminate it all.

Davless county, of which Owensboro is the county seat, is considering the advisability of increasing the proposed bond issue of \$250,000 to be spent for good roads to \$750,000. This is enterprise.

Everything is done on a large scale nowadays. St. Louis has just come to the front with the biggest insurance policy ever written on a single plant—\$6,000,000 insurance on a brewery.

## AT THE PARK

EVERYTHING IS IN READINESS FOR CELEBRATION.

This Year It Will Be Under the Auspices of the Paducah Gun Club.

The only elaborate Fourth of July celebration at Paducah will be that at Wallace park under the auspices of the Paducah Gun Club.

# TRUSTEES NAMED

MR. OUS SMITH APPOINTED FOR BROWN &amp; SHELTON.

Mr. J. D. Sowers Was Elected for the John J. Helch Case.

Mr. Ous Smith was this morning elected by a majority of the creditors in the Charles Brown and the Brown & Shelton bankrupt matters as trustee and gave a bond for \$3,000 for the faithful performance of his duty as such.

Mr. Shelton was assigned in the state courts for the Brown & Shelton firm and is intimately acquainted with the business, having had it in charge for several weeks. The individual bankrupt and the firm case were tried as far as the hearing of the evidence in the first meeting of creditors this morning as a consolidated action.

Further action has been deferred until the 6th, when appraisers will be appointed and a report formed. Reference in bankruptcy today by the suggestion of the trustee will appoint appraisers in the firm case and they will report on the date.

The first meeting of creditors in the individual bankrupt case of John J. Helch was held this morning, resulting in the election of J. D. Sowers, of this city, trustee. He gave a \$1,500 bond and further action was deferred until the 6th.

## WITHOUT BOND.

Ed Marable Was Held Over This Morning.

Ed Marable, colored, who last week was arrested on the charge of striking Walter Brown, colored, with a fence picking or some other weapon and killing him, was today in police court held over to the action of the grand jury without bond.

The case was tried and the evidence showed that Marable delivered the blow which resulted in Brown's death. The evidence failed to show that Brown advanced on him, there being no one who actually saw the fight and trouble. The testimony of Marable himself was sufficient to justify his being held over to the absence of any evidence to show the assault was provoked.

## CITY SUPERVISORS

Were Called to Meet Today and Meeting Adjourned Until Wednesday.

The board of city supervisors was called today to meet in special session but on convening at the city hall learned that Mr. Ed Ashbrook, one of their number, was out of the city, and adjourned over until Wednesday.

They have a number of protests to hear, and it is expected will assess the local banks. For some reason none of the local banks have been assessed for this year. It being the supposition at the time the assessment was made, it is alleged, that the state auditor was to assess them hereafter.

## A SAD DEATH.

## LOST HIS BEGGY.

Colored Farmer Comes to Town and Leaves a Wise Man.

William Stahl, colored, a farmer residing a few miles out in the country, will put little faith in womankind again, especially that class of women found about Ninth and Washington streets.

Stahl came to town yesterday morning to spend a Sunday in the city, and met a few acquaintances. He was introduced to a woman named Annie Brewer, well known in police circles, and the two started out for a drive. Stahl became "dry" and went into a soda water fountain to secure a drink of phosphate and on returning found horse, buggy and woman gone.

He reported the fact to the police and a search all day yesterday and last night failed to reveal the missing animal. Stahl was forced to remain in town all day and night, but this morning found his horse out about Ninth and Washington streets and went home. No warrant was issued against the woman, Stahl not caring to bring charges.

## UP TO JIM

HE TOOK A FLYER INTO ISLAND CREEK.

And Perkins Acquitted—Wood Jones and Jim Taylor Are in More Trouble.

One of the most amazing cases ever heard in police court was that today against Bud Perkins, a well known saloon keeper of Mechanicsburg, who had ordered Wood Jones and Jimmie Taylor out of his place, and when they showed up again chased one into Island Creek.

Perkins was arraigned on two warrants, sworn out by each of the boys. It seems that two years ago Jones and Taylor got into trouble several times and Perkins told them he didn't want them in or hanging about his place of business.

Last Friday Jones met Taylor and the two went to the Perkins saloon in company with a doctor and ordered drinks. Taylor remained outside but Jones went in and when Perkins saw him told him to get out. Jones wanted to argue the question and when Perkins started after him, bent a hasty retreat, warning Taylor as he ran out of the door.

Both boys flew and Jones switched on, eluding the lrrite barkeeper. Taylor took to the Finney dry docks and Perkins followed. Taylor saw the barkeeper meant business and jumped into the creek and swam across.

The boys allege that Perkins threw a club at them but the evidence failed to develop this and Judge Sanders dismissed the warrants.

Perkins in explanation to his action stated that he simply was mad and while he didn't throw any club at Taylor on the docks, he knew that he understood it was "up to him" and took to the water of his accord.

While Jones and Taylor were only in business in this case, they were called up on their own account in another case charged with robbery. They were alleged to have knocked down Lee Sanderson Saturday night. Sanderson lives at Boaz Station, and claims they got a dollar and some small change. He thought he was going to be killed and raised so much racket that residents went for the police.

The case against Jones and Taylor was set for July 15.

## SET FOR JULY 5.

Warrant Sworn Out By News-Democrat Editor for Capt. Woods.

Saturday night Editor Louis Brownlow, of the News-Democrat, swore out a warrant before Justice Jesse Young against Captain Joe Woods, of the police force, for a breach of the peace.

It seems that Mr. Brownlow went to the city hall to get information about an arrest made, and the police department was not ready to give anything out. A discussion with Mr. Brownlow being ordered out, and not complying, he was led or pushed to the door. He claims that Capt. Woods kicked him, but Capt. Woods denies it.

Justice Young this morning continued the case until July 5. Mr. Brownlow today said he would the day following the trial prefer charges against Captain Woods before the five and police commissioners. The versions of the police department and the newspaper man as to the difficulty agree except as to the kicking.

The Margaret out of the Tennessee

see and the Castilla out of the Ohio, are due tomorrow with the Ayer & Lord Tie Co.

French's Sensation, which wintered here, has come all the way from Pittsburg since warm weather began. It will be here about tomorrow.

The new steamer City of Saffilo, just completed by Howard for the St. Louis and Tennessee River Packet company, is ready to leave and will get away from Jeffersonville in a day or two.

The government boat Chisen passed down yesterday on route from the quarries above here on the Ohio river to the Mississippi with a tow of stone.

The big towboat Sprague has started from Louisville with another big tow of coal for New Orleans.

The George Cowling took an excursion to Tennessee river bridge yesterday from Metropolis and Brookport.

The Dick Fowler left at 8 a. m. for Calto with a good tow.

The Joe Fowler was the Evansville packet today, departing at 10 a. m.

The Clyde is due from Tennessee river and departs again Wednesday evening.

A new shaft has been received for the Royal and will be put in today.

A Pittsburg dispatch says: "The James Rees & Sons company today closed a contract with the Arkansas River Packet company for the construction of a steel hull river packet to cost \$100,000. It will be named the S. S. Brown, in honor of Capt. Samuel S. Brown, of Pittsburg, president of the company. It will be the best boat built by the company since the construction of the Kate Adams, now running between Memphis and Arkansas City."

Capt. Peter Sprague, one of Pittsburg's best-known builders and known all along the Ohio river, died at Pittsburg of pneumonia at the age of 76. During his long career as a constructor of river steamers Capt. Sprague built eighty towboats his last achievement in this line being the steamer Sprague, which is considered the largest towboat in the world.

The committee which recently went before the engineers in charge of Ohio river improvements in Cincinnati, says that there are only fifteen places in the river between Louisville and Evansville where the channel is not deep enough for light draught boats to run all the year. They figure that a single dredge boat could cut out these places so that boats can run even in the lowest water in about a month. The places at which dredging will be required are Falling run, Hughes bar, Salt river, Ruston bar, Brandenburg, Blue river, Becklupough's landing, Chenaux's Fulton, The Cabbage Patch, Pup creek, French Island, Sculltown, Vopadas, Three-mile Island.

### KENTUCKY NEWSLETS

**The State Treasury.**  
Frankfort, Ky., July 3.—At the close of business at the end of the fiscal year, there was on deposit in state depositories to the credit of the commonwealth the sum of \$437,343.16.

#### Young Banker Missing.

Sturgis, Ky., July 3.—No little uneasiness is felt here on part of the family of Claude Slaton, assistant cashier of the First National bank, who left over two weeks ago for Jonesboro, Ark., to accept a position in the bank there as cashier, but who has not been heard from since. Harriet Holt, who was returning from Clinton, La., to spend a few weeks with his brother here, met him at Princeton, and while waiting for different trains Claude sold his fine horse to Holt for \$300, which Holt came on to Sturgis and claimed. This is the last seen or heard of him since leaving.

Slaton was a young man of good moral character, was in good circumstances, had a position that he of his own accord was intending to resign, and as far as anyone knows was as happy a father and husband as could be found anywhere. He had \$1,500 with him when he left Sturgis.

#### Preferred Suicide to Operation.

Covington, Ky., July 3.—Frank Rachelle, aged 44 years, of Pike and Lewis street, committed suicide here. His wife entered his bedroom and found him hanging at the foot of a bedpost dead. He had tied a rope around his neck and slowly strangled to death. Rachelle was afflicted and physicians advised that he would have to undergo an operation. The operation was scheduled to take place today and his wife says that he feared the surgeon's knife.

#### Oldest Odd Fellow in State.

Louisville, Ky., July 3.—Bernard Fair, the oldest Odd Fellow in the state, and one of the oldest in the country, is dead at Louisville. His death was due to a stroke of apoplexy, and came after an illness of but a few hours.

Bernard Fair was 85 years of age and a member of the Odd Fellows for 55 years. Five years ago he received from the local body a jeweled insignia, which marks a membership of 50 years in the organization. There are but three men in the country upon whom this honor has been conferred.

Mr. Fair had been a resident of this city for 25 years but was a native of Detroit, Mich. He was connected with the Illinois Central railroad as a civil engineer for many years. He had but one living relative, Mrs. Losey, with whom he resided.

### CITY OF SAFFILO

Is Ready to Be Brought Down.

Capt. James Koger left this morning for Jeffersonville, Ind., to bring back the new steamer, City of Saffilo, which will take the place of the Savannah in the St. Louis and Tennessee river trade. Major J. H. Ashcraft will be master on the new boat on her trip down. The new steamer cost \$10,000.

#### Mr. Hadden Poisoned.

Mr. J. T. Hadden, of the Illinois Central, has been made a victim of the "poisoned" lighting company, at Memphis. Capt. R. A. Speed, of Memphis, is president.

Opinions held by the average man are of the second-hand variety.

## IN THE COURTS

### To Sue for Damages.

J. W. Davis has employed Taylor & Lucas to bring suit against the Paducah City railway for \$150 damages, claiming that car caused his horse to run away and demolish his buggy.

### Repiles to Suit.

Grassham & Threlkeld are preparing an answer to the divorce suit of Mrs. Nella Goodloe, in which the husband will deny the charges of mistreatment and of threatened violence. The couple reside in the county and are well known.

### Filed Articles.

The Paducah Bookbinding and Printing company has filed articles of incorporation with capital stock of \$10,000. J. E. Potter is president, M. Griffith, vice president, and J. Harlan Griffith, secretary and treasurer.

### Can't Locate Fugitives.

Detective T. J. Moore and T. C. Beard have returned from Cairo, Ill., where they went to search for Hearl's wife and child, who are alleged to have eloped with Jim Frizzle. They traced the runaways as far as Cairo, and there lost them.

### County Court.

The county has paid to Road Supervisor Bert Johnson \$1,184.88 more to be paid for work done on the county roads.

### County Taxes.

Sheriff Lee Potter and deputies are collecting county taxes quite rapidly. The state board of equalization did not change the assessment this year.

### The Papers Served.

Deputy United States Marshal G. W. Saunders has served the necessary papers on Mayor D. A. Yelzer in the suits brought in federal court by Attorney J. M. Worten against the city for \$5,000 damages for Elbert Stone and another, for being worked on the chancery.

### Charged With Vagrancy.

Shorty Conners, white, who seems to have no special vocation except "doing nothing," was arrested this morning by Officers Terrell and Cross for vagrancy.

### Peace Bond Continued.

Justice Young this morning continued indefinitely the peace warrant hearing against Mary A. Sharnn. Mrs. Sharnn is under peace bond, the warrant having been sworn out by her husband, Coley Sharnn, who thought his wife might do him bodily harm inasmuch as she had threatened it. There is a great deal of interest taken in this case because of the prominence of the two in the county.

### Police Court.

The warrant charging D. W. Barnes with maliciously cutting J. R. Cosby on May 19, 1904, was filed away in police court today with leave to reinstate. It is understood that this matter will be taken up by the grand jury at the next sitting in September. Barnes and Cosby are ship carpenters and got into a dispute ending in a fight. Cosby has just gotten out of the hospital.

Walter Lewis and Douglas Pryor, colored, who got into a fight yesterday and tried to cut each other into shreds, were granted a continuance. Neither one was injured seriously. The case against Henry Vaughan, colored, who is charged with having stolen a diamond brooch and diamond ring from room 29 at the Palmer house on February 16, was granted a continuance until July 6. The brooch was the property of Mrs. Thistlewaite and valued at \$50 and ring at \$85.

Other cases were: Allan Walters, colored, drunk, \$1 and costs; George Bernhard, white, breach of ordinance, continued; Frank Pittman, colored, disorderly conduct, dismissed; Paducah City Railway, breach of ordinance in refusing to stop for a passenger, continued; Sam Readles and Tom Evitts, breach of the peace, warrant filed away.

### Case in Quarterly Court.

County Judge R. T. Lightfoot will this afternoon pass on the case of H. F. McClain against Ed Foster, for \$106 alleged to be due on account. The case was originally tried in the Calloway circuit court and Foster brought in a counter claim for \$107.12 which he got, and now McClain brings the suit in Judge Lightfoot's court.

## CHURCH NEWS

Paducah district of Methodist church meets at the Third street Methodist church Tuesday, July 11. D. W. R. Lamberth, secretary of the Southern Methodist church, and J. J. Tigert, both of Nashville, Tenn., are expected to attend the conference. Presiding Elder J. H. Roberts, of Paducah, will have charge of the association, which has 200 members.

Dr. Francis R. Beattie is in the city in the interest of the Cumberland Presbyterian Theological Seminary at Louisville, Ky. Plans are being pushed for the completion of several new buildings at the institution. The new library is nearly completed and plans for the chapel and class rooms are finished. The faculty consists of Drs. Chas. R. Hemphill, W. H. Marquis, Francis R. Beattie, C. K. Crawford, H. E. Dosker and T. M. Hawes. A chairman is chosen from year to year. Dr. Hemphill serving in that capacity this year. Dr. J. M. Blaney, of Frankfort, is president of the board of directors, with Dr. Wm. Irvin, of Bowling Green, as secretary of the board.

The American Christian Missionary Association, Foreign Convention of the Christian church and the Christian Women's Board of Missions meet in San Francisco August 17th to 23d. Miss Bertie Woolfolk, Miss Elizabeth Rigg and Mr. and Mrs. Chaz, E. Jennings intend going to the meetings, leaving here August 11th.

Rev. W. H. Pinkerton leaves Saturday for La Crosse to attend a union meeting that will be held in the Methodist church at that place.

Rev. W. H. Pinkerton will deliver a sermon by request next Sunday to the local order of K. of P., who will attend in a body.
